Re: Notification of installation of monitoring wells

Penny:

The purpose of this letter is to inform you that Lockheed Martin (REAC) will be installing 5 monitoring wells at 3530 East Waterloo Road located in Akron, Summit County (Springfield Twp.), Ohio. The property is approximately 5.65 acres in size. The monitoring wells will be located at 4 separate locations on the property. The maximum distance from the road will be approximately 500 feet. The property is located on the south side of East Waterloo Road. The property is located near Wright Road. Work is scheduled to begin the week of October 30, 2000. If you have any questions please contact me at 440-243-3330.

Thank you,
